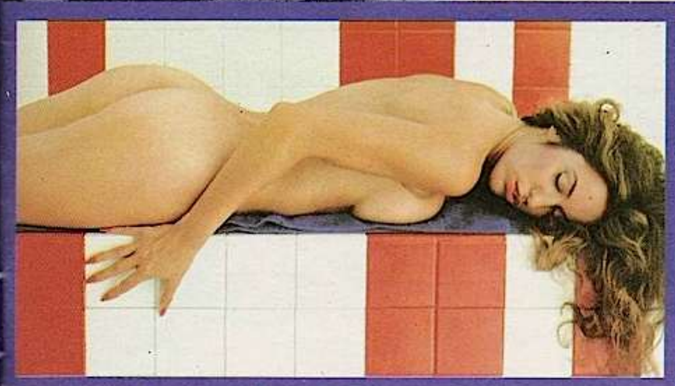
PIONEER

PHOTOGRAPHED BY STEPHEN HICKS



It seems just a month ago. Hang on, it was a month ago, in Vol. 15 No. 5, Dionne first appeared as a Venezuelan beauty who'd stopped off in Sweden to have a holiday and do some impromptu modelling. Now she's back in a set by Steve. So we can only assume that she's settled in California and taken it up full time. Are we complaining? Are we 'ell as like! She makes a great change from those Standard Operational Blondes we tend to get from the West Coast. You know, glamour clones. Dionne is a 23 year old raver from Maracaibo who blew out the fond but restrictive

family atmosphere and headed for the (Hollywood) hills. Steve reckons she's well on the way to becoming a very popular model thereabouts – and rude with it. She also cooks some amazing Caribbean recipes. Like chicken in honey and pineapple with lots of red and green peppers in the sauce, served on a bed of rice. Hell, even her culinary qualities sound sexy.

Josie Ross

AMATEUR MODEL OF THE MONTH

We just couldn't believe our luck! This ravishing creature; 5'1" tall, seventeen years old and 40-22-36—walking about unphotographed. Well, she'd done a session for a camera club, but we are definitely the first men's magazine to snap her up. And we're ridiculously proud of ourselves because of it. We signed her up for two more shoots on the spot, another one for us plus one for Fiesta (well, they need all the help they can get), so you'll be seeing her again real soon. In fact by the time you read this, half the photographers in London will have shot her. Which means goodbye to the cold meat counter in the local supermarket—buying sausages in Sheffield will never be as much fun again. Josie has an infectious giggle and a great sense of humour (see Caught In The Act, pages 8–9). And a great future as a model. Could be greeting you over breakfast in your morning paper one day. (No, not The Guardian.)

We'll build a special set in our studio (you might even like to suggest an idea yourself), provide some lascivious lingerie, make sure there's a make-up artist to help you look your best and provide a professional photographer to take some gloriously sexy photos of you. For some reason we don't get that many oriental models passing through our portals, so we asked Serge to see what he could do, bearing in mind

the Hong Kong feature on pages 62-65. Always a man of his word, Serge produced these pictures of this delicious lady. Who actually comes from Thailand, but what the hell! She's 19 and is a dancer in Paris. You've heard of Lotus Blossom? We proudly present Lotus Bottom.

"Oh Doctor, can you please help me? I have this terrible compulsion to take my clothes off in front of strange men. I mean look, this is all I'm wearing under my coat! Do you think so? How sweet of you to say so. Yes, well, you could hardly examine me while I'm still wearing them, could you? My, what a comfortable desk . . .

But how can you examine me from over there? And what *is* that funny instrument you're looking through? A remote controlled Gynoscope– really? Funny, it looks exactly like a camera to me . . ."
